HERCUWALL

WHAT YOUR HOME IS MADE OF MATTERS. BUILT BETTER. LIVE BETTER.

SPEND LESS ON YOUR ENERGY BILLS
HercuWall has better energy efficiency than traditional homes, so you save money on your utility bills month after month.

EXPERIENCE PEACE & QUIET
HercuWall has greater insulation than traditional homes, so you don't have to hear your neighbors or other outside disruptions.

ENJOY A HEALTHIER HOME
HercuWall is airtight and has a unique composition; this means you get less dust, no mold, and an overall healthier air quality.

FEEL PROTECTED & SAFE
HercuWall is made of steel, concrete, and foam, so it's three times stronger than wood, fire resistant, and safer for you and yours.

LIVE IN A SUSTAINABLE COMMUNITY
HercuWall uses no wood, so there is less deforestation, all scrap material is recycled, and it reduces waste & energy use in a home.
